

4WD & Camping Packing List

The list below is a suggested packing list for 4WDing and Camping and covers the basics of what you and your family may require to take away on a trip with the Club, either as a day trip or an overnight / longer trip.

Note: 1. When packing food and medication etc for a trip we strongly suggest that you always pack **at least enough for an extra two days** as a minimum in case something happens that requires the extra time away.

2. All recovery equipment should be **rated** correctly for your vehicle and in good order.

Recovery Equipment		Dish Cloth and Washing Tub	
Snatch strap / Kinetic Rope		Cutting Board	
Shackles (soft or bow)		Matches / Fire Lighters	
Tree Trunk Protector		Table
